PRESS RELEASE**Expansion of Manufacturing Facility**

- **To install “SACMI CONTINUA” Technology based plant at the existing manufacturing facility at Talod, Gujarat;**
- **To manufacture large glazed Vitrified tiles / slabs;**
- **New installation is expected to double the Company’s output (in value terms)**

February 8, 2022: We are pleased to announce expansion of our existing manufacturing facility situated in Unit-2 at Talod, Gujarat. The Company has purchased a “SACMI CONTINUA” Technology based Press, admeasuring 1600mm x 3200mm imported from ITALY to manufacture large glazed vitrified tiles/slabs. Total capex for the expansion would be approximately INR 30 Crores. Notably, our Talod manufacturing facility is the largest manufacturing plant of glazed vitrified tiles under single roof in India.

The new installation will apply the best latest available technology and manufacturing process in terms of industrial performance, safety and respect for the environment. Expanded product categories would enable the Company to further strengthen brand “EXXARO”.

The investment is fully in line with our strategic plan to improve operating efficiencies and growth plan through technology enhancements alongside state-of-the-art manufacturing infrastructure. The new installation will manufacture large size glazed vitrified tiles/slabs admeasuring 9mm/20mm with thickness in various sizes of 800*2400, 800*3000, 800*3200,1000*2000.

Currently, we have two state-of-the-art manufacturing facilities which are located at Padra and Talod respectively in Gujarat. The new large sized tiles / slabs manufacturing is expected to be commenced in the first quarter of FY 2022-23. The new installation, coupled with the existing set-up, is capable of doubling the Company’s output (in value terms), at optimum level.
