*Shaping The Future*

Presenting the best quality slab that match your decor such as ventilated facades for Kitchen, Home etc. we always fulfil the need of our customers by providing the extraordinary products

**ULTIMA MARBLE** | 800x3000mm & 800x2400mm | SALT & PAPER

*Safe Guarding Nature*

Our Callisto offering is a environment-friendly product. Decreasing the need of mining and extracting natural Marble from natural sources, Callisto is made using recycled Marble in addition of other materials. Callisto is truly saving the Earth and nature by redefining Marble surfaces.

*Crafted for perfection*

It is not just the interiors of the place that reflect the opulence and refinement of the inhabitants; even the exteriors play a crucial role in enhancing the overall beauty of the place. Callisto surfaces are robust and durable surfaces that have been developed specifically for beauty for your exterior applications or kitchen space, tabletop or benches.
